45 C.F.R. § 147.116 Effective Date: Plan years beginning on or after January 1, 2014.	A self-funded, non-Federal, governmental group health plan shall not apply any waiting period that exceeds 90 days (“Waiting period” is defined in PHS Act section 2704(b)(4) and interpreted in 45 C.F.R. § 147.116).	A waiting period is the period that must pass with respect to an individual who is otherwise eligible to be covered for benefits under the terms of the plan before coverage for that individual can be effective. Restrictions on benefit-specific waiting periods do not apply to self-funded, non-Federal, governmental group health plans. 45 C.F.R. § 147.126 Effective Date: Plan years beginning on or after September 23, 2010.	Lifetime limits on the dollar value of EHBs are prohibited (see non-grandfathered ACA HIPAA checklist for list of EHB categories under PHS Act § 2707 and ACA § 1302).	Self-funded, non-Federal governmental plans are not required to provide EHBs. However, if they do provide such benefits, they are prohibited from placing lifetime dollar limits on them. Specific covered services that are <u>not</u> EHBs are not subject to the prohibition on lifetime dollar limits. If the limit is not a dollar limit (i.e., a visit limit), the lifetime limit prohibition would not be triggered, unless the visit limit incorporates a specific dollar amount per visit.
