1 Introduction

The “Coverage of Certain Preventative Services Under the Affordable Care Act” Final Rule (78 FR 39870) sets forth regulations regarding coverage for certain contraceptive services. The rule ensures that individuals in group health plans have access to the full range of approved contraceptives without cost-sharing, while respecting eligible organizations’ religious-based objections to contraception. Eligible organizations receive an accommodation relating to contraceptive coverage so that they are not required to provide, arrange, or make payment for these services.

The rule set forth processes and standards to fund the payments for contraceptive services paid on behalf of participants and beneficiaries in self-insured plans of eligible organizations through an adjustment of the FFM User Fee payable by an issuer participating in the FFM. In order to facilitate the FFM User Fee Adjustment, the final rules require information collection from applicable participating FFM issuers and third party administrators (TPAs) and pharmacy benefit managers (PBMs). For the 2015 benefit year, FFM issuers and TPAs/PBMs must request an FFM User Fee Adjustment by completing the FFM User Fee Adjustment web form. In addition, TPAs/PBMs will complete the TPA/PBM Notice of Intent (also known as the Notice of Intent Disclosure) through the FFM User Fee Adjustment web form.

This document is a step-by-step guide to log in, complete, and submit the FFM User Fee Adjustment web form for the 2015 benefit year.

To begin, the FFM User Fee Adjustment web form link will be emailed to a CMS-specified list of FFM issuers and TPAs/PBMs who participated in this adjustment in the 2014 benefit year. If you did not participate in this process for the 2014 benefit year, you can locate the web form link through an FAQ posted to REGTAP. The window for submitting requests for FFM User Fee

Adjustment for the 2015 benefit year is Monday, August 22, 2016 to 11:59 p.m. ET on Tuesday, September 20, 2016.

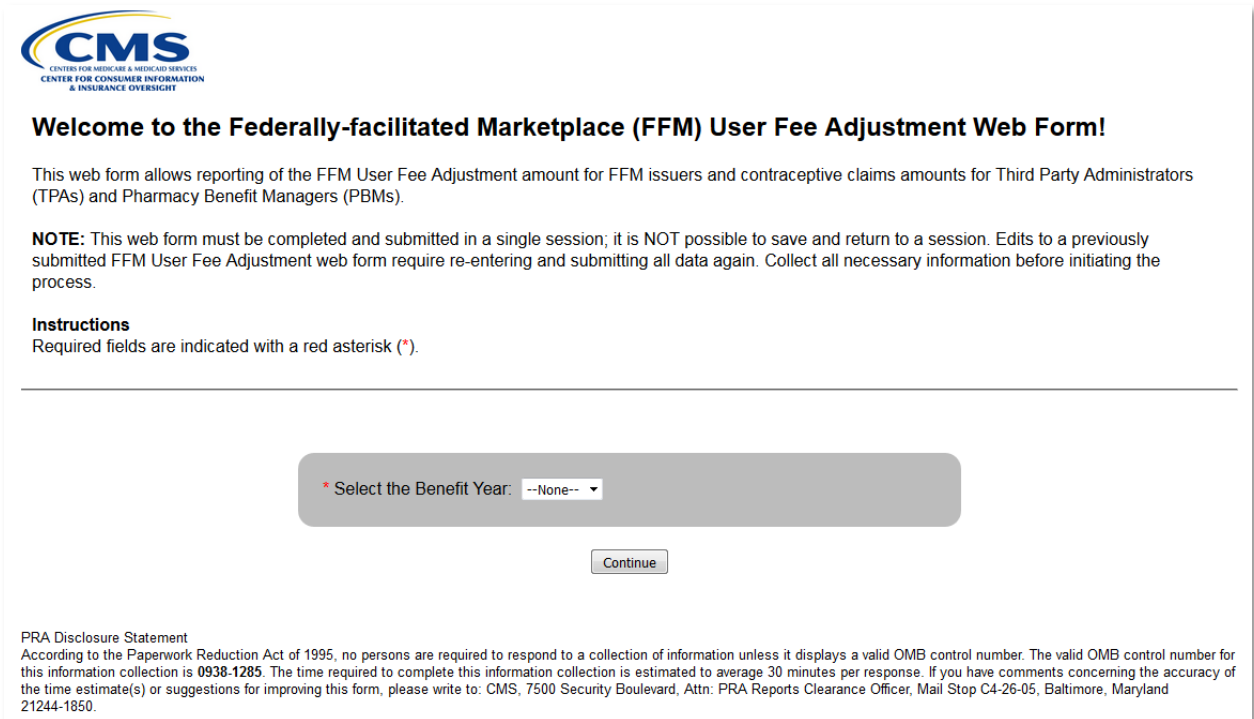

The web form must be completed in a single session – you will not be able to save entered information.

2 Welcome Page

Upon selecting the web form link, you are directed to the Welcome page of the web form, as shown in Figure 1.

Select the benefit year for which you want to report a FFM user fee adjustment from the drop-down menu and select the **Continue** button, as shown in Figure 2. You will only be permitted to select the 2015 benefit year.
