**Medicare and Medicaid Notice to Public**

Notice is hereby given that on October 11, 2023, the Centers for Medicare & Medicaid Services (CMS) terminated the agreement between the Secretary of the U.S. Department of Health and Human Services and Danville Care Center (CCN 165395) located at 401 South Birch Street, Danville, Iowa, 52623 as a skilled nursing facility in the Medicare program. In addition, as authorized by the Iowa Department of Inspections, Appeals, and Licensing, notice is given that the provider's agreement as a nursing facility in the Medicaid program was terminated effective October 11, 2023. These actions are taken because CMS had determined that Danville Care Center failed to attain substantial compliance with certain Medicare and Medicaid participation requirements. If the provider had demonstrated substantial compliance with all CMS requirements, including State licensure requirements mandated by 42 C.F.R. § 483.70(a).

Federal Financial Participation (FFP) will not be available to the State for any Medicaid residents admitted to the facility on or after October 8, 2023, when the last resident at Danville Care Center was emergently relocated. For Medicaid residents admitted prior to October 8, 2023, FFP may continue to be made to the State for services rendered at Danville Care Center through that date. *See* 42 C.F.R. §§ 441.11(a) and 489.55(b).
