Notice to Public of Termination of Parkview Post-Acute and Rehabilitation Center

Notice is hereby given that on February 26, 2023, the Centers for Medicare & Medicaid Services (CMS) will terminate the Medicare provider agreement between the Secretary of Health and Human Services and **Parkview Post-Acute and Rehabilitation Center, 200 Nursing Home Lane, Pikeville, Kentucky**. CMS has determined that Parkview Post-Acute and Rehabilitation Center has failed to substantially comply with Medicare and Medicaid health and safety participation requirements.

Based on the Denial of Payment for New Admission imposed on Parkview Post-Acute and Rehabilitation Center through the notices dated September 30, 2022 and November 16, 2022, CMS will not pay for skilled nursing facility services furnished to Medicare and Medicaid beneficiaries admitted to Parkview Post-Acute and Rehabilitation Center on or after October 30, 2022. However, payment for services rendered to beneficiaries admitted before October 30, 2022, may continue for up to 30 calendar days after February 26, 2023.

While we understand the relocation of residents can be challenging for all parties involved, CMS prioritizes resident safety and care quality. We are closely monitoring the relocation of residents to other facilities. For residents and their family members, CMS recommends visiting the following websites for additional assistance through the relocation process:
