

# MEDICARE SAVINGS PROGRAMS PARTNER SOCIAL MEDIA TOOLKIT

People with Medicare who face challenges paying for healthcare costs may be able to get help through Medicare Savings Programs (MSPs). Use this toolkit to share information about these cost-saving programs and encourage your followers to see if they qualify for help. As always, the best way to stay up-to-date with Medicare news and announcements is to “Like” our [Facebook page](#) and follow us on Twitter [@MedicareGov](#).

If you have Medicare and you’re facing challenges paying for health care, you may qualify for a Medicare Savings Program to help pay Medicare premiums and other costs: [Medicare.gov/medicare-savings-programs](https://www.Medicare.gov/medicare-savings-programs)

If your income for 2022 is below \$18,600 (\$25,000 for married couples), it may be worth contacting your state’s Medicaid program about Medicare Savings Programs that could be available for you. More information: [Medicare.gov/medicare-savings-programs](https://www.Medicare.gov/medicare-savings-programs)

Did you know you may be able to get help paying Medicare premiums and out-of-pocket healthcare costs, like your deductible? Contact your state’s Medicaid program about Medicare Savings Programs, and see if you qualify: [Medicare.gov/medicare-savings-programs](https://www.Medicare.gov/medicare-savings-programs)

Have Medicare and having trouble paying your healthcare costs? Your state Medicare Savings Program (MSP) may be able to help. MSPs can help pay your Medicare premiums and other out-of-pocket costs if you qualify. Contact your state Medicaid program to see if you’re eligible: [Medicare.gov/medicare-savings-programs](https://www.Medicare.gov/medicare-savings-programs)

*Income limits for 2022 included in this toolkit are reflective of the data currently available on [Medicare.gov/medicare-savings-programs](https://www.Medicare.gov/medicare-savings-programs). If the income limit in your state is higher than what is shown, replace the dollar amount with your state income limit for a more accurate representation for your state.*
