Medicare and Medicaid Notice to Public

Notice is hereby given that on May 28, 2024, the Centers for Medicare & Medicaid Services (CMS) will terminate the agreement between the Secretary of Health and Human Services and Levering Regional Health Care Center (CCN 265469) located at 1734 Market Street, Hannibal, Missouri 63401 as a skilled nursing facility in the Medicare program. In addition, as authorized by the Missouri Department of Health and Senior Services notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective May 28, 2024. These actions are taken because CMS has determined that Levering Regional Health Care Center failed to attain substantial compliance with certain Medicare and Medicaid participation requirements.

In addition, Federal Financial Participation will be available to the State for any Medicaid residents admitted to the facility on or after April 6, 2024. For Medicaid residents admitted prior to April 6, 2024, Federal Financial Participation may continue to be made to the State for up to 30 days of covered services to qualified residents furnished on or after May 28, 2024, the date of termination.
