Notice to Public of Revocation and Cancellation of Approval to Receive Medicare Payment of Total Point Urgent Care’s CLIA Certificate and ban of the owner and director CLIA #26D2278006

The Centers for Medicare & Medicaid Services (CMS) is providing notice that on March 16, 2024, the Total Point Urgent Care, located at 590 Birch Road, Hollister, Missouri, 65672 will have their CLIA certificate revoked due to their failure to meet CLIA requirements. In addition, the cancellation of its approval to receive Medicare payments for its services will become effective on January 31, 2024.

The facility has been notified that the CLIA certificate will be revoked on March 16, 2024. When a laboratory’s CLIA certificate is revoked, it is required to cease all patient laboratory testing, including waived and provider-performed microscopy testing regardless of whether or not the laboratory charges for the testing. In addition, CLIA regulations prohibit the laboratory’s owner, Dr. Talal Zahoor, the operator, and its director, Dr. Joseph Moleski, from owning, operating, or directing any laboratory for two years from the date of the revocation, or until March 16, 2026. CMS is committed to patient safety and quality of care.

The report of findings associated with these suspension and revocation actions is available through the Kansas City CMS Location Freedom of Information Officer. Please contact Jennifer Street at jennifer.street@cms.hhs.gov for additional information.
